BELOW ARE THE AREAS WE HAVE PROPERTIES.

Our prices are available on Application

ENDANA

Endana is a rapidly developing area located 30km from Nanyuki town. Among the developments in Endana include the Samuel Eto'o football academy which is already operational.

Other notable developments neighboring Endana are Mt. Kenya wildlife estate, Enaai golf course estate (under construction) and Maiyan housing development.

Scenic views of Mt. Kenya and the Lolldaiga hills can be enjoyed from the land.

Documents like maps, subdivision schemes, mutations and titles will be presented to you upon request.

The land could be used for multiple purposes.

MUTIRITHIA

Mutirithia is located 18 km from Nanyuki town along the Nanyuki – Dol dol road (tarmac).

It neighbors developments such as Maiyan housing development, Enaai golf course estate (under construction), Mukima Ridge controlled development, British military residential bungalows and the Samuel Eto'o football academy.

This is complimented by the breathtaking scenery of Mt. Kenya, The Aberdare and Lolldaiga hills, which make the property worth investing in.

Documents like maps, subdivision schemes, mutations and titles will be presented to you upon request.

SEGERA

Located just 25 km from Nanyuki town along the Nanyuki-Rumuruti road (commissioned for tarmacking), Segera is among the best investment areas in Nanyuki.

The area is home to the world re-known Segera conservancy & retreat (named by CNN travel experts as one of their Top 20 places to go on vacation) and also neighbors OI Pejeta conservancy. Developments in the surrounding

A Lifestyle of Trust Excellence Et Finesse Welcome Home

locality include Mt. Kenya Wildlife Estate, Enaai golf course estate (currently under construction), Samuel Eto'o football academy and projects by several high value individuals.

The area also boasts of spectacular views of Mt. Kenya, Aberdare ranges and the Lolldaiga hills. Serenity is of abundance in Segera.

The lands could be used for multiple purposes i.e. farming and/or speculation purposes as it is virgin soil. Our lands have very close proximity to EwasoNyiro River (All Season River)

Documents like maps, subdivision schemes, mutations and titles will be presented to you upon request.

Near the river with water and electricity is nearby.

ERERI

Eleri is 18km from Nanyuki town along the Nanyuki-Rumuruti road. Surrounded by major notable developments such as Mt. Kenya Wildlife Estate, Enaai golf course estate, Mukima Ridge controlled development, Samuel Eto'o football academy and other high net worth individuals, Eleri offers prime opportunities for investments that you just can't afford to pass. The land is remarkably flat with spectacular views of Mt. Kenya, Aberdare and Lolldaiga Hills.

Ready and freehold title deeds available.

Residential and agricultural 1/8 acre plots are also available in Eleri. They are close to the Ol Pejeta Conservancy and Enaai golf course. The agricultural plots have a greenhouse, 3,000 litre tank, and drip lines

KIMURI

Kimuri is located 14 km from Nanyuki town along the Nanyuki-Rumuruti road. This is a high investment locality as it is home to the exclusive Enaai golf course estate (under construction). Mt. Kenya Wildlife Estate, Ol Pejeta conservancy and a number of various gated community developments are within the area.

Kimuri provides a good holiday destination and exciting investment potential.

Ready and freehold title deeds are available.

1/8 acre plots are also available in Kimuri. The plots are located only 300 meters from the Enaai golf course (under construction).

KARIUNGA

Kariunga is 15 km from Nanyuki town along the Nanyuki-Doldol road, which is tarmacked. Developments here include the exclusive Maiyan Housing Development, British military residential bungalows and it also neighbors the Enaai golf course estate. Just like most localities in Nanyuki, Kariunga is endowed with scenic views of Mt. Kenya and the Lolldaiga Hills.

The land can be used for multiple purposes.

Ready and freehold title deeds are available.

1/8 plots are also available in Kimuri. They are only 600 meters from the tarmac and neighbor the British military bungalows.
